Ministry Vision

To increase the Kingdom of God through personal evangelism and to encourage and strengthen the Body of Christ through teaching, testimony and discipleship.

Ministry Facilitation

Because of his high visibility as a professional outdoorsman, outdoors writer and author, Russell travels extensively to speak at outdoorsmen's outreach programs and wild game dinners where he shares his personal experiences and professional insights, followed by a strong presentation of the gospel through his moving personal testimony. In addition, he is often asked to preach at Sunday morning services in conjunction with weekend outreach programs.

Russell is also known for his unique sense of humor. His wit is showcased both in his books and in his hilarious songs about the wacky side of the human condition. Russell's gift as a songwriter, singer, guitarist and humorist is perfect for retreats, banquets and concerts, and guaranteed to bring tears of laughter to every eye.

Sharleen's calling as an exhorter/teacher is expressed in numerous aspects of ministry, which include organizing, speaking and teaching at Christian women's retreats, seminars and conferences, as well as leading and teaching Bible studies for women's church groups and independent, interdenominational studies.

Relational and transparent, Sharleen weaves her personal experience and testimony as a wife, mother and grandmother, into her teachings to illustrate the practical, faith-building application of God's Word to all aspects of life. Her mission is to encourage women to discover and function in their God-given gifts, believing that the foundation of faith lies in the discovery of the immensity of God's love.

Sharleen's capacity as an exhorter was expanded as she battled breast cancer, increasing her ability to offer hope and encouragement to other women facing this life threatening disease.

Together, Russell and Sharleen minister at marriage retreats and conferences, teaching and sharing their powerful and inspiring testimony of God's healing, restoration and hope for troubled marriages.
